Take control of your roster with automated healthcare rostering >>

With **Aesop**, you can easily gain the flexibility you need to take control of your roster. Aesop completely automates the rostering process by offering you 24/7 access to your roster via the web, phone and text messaging. You can search for and accept available shifts anytime, anywhere, and you can always access your roster in real-time. Aesop also allows you to specify your work preferences and availability, better supporting your lifestyle choices.

Real Challenges.

You face endless time-consuming challenges with manual rostering.

- *Waiting* to be notified of any available shifts
- *Keeping* track of your roster and any changes
- *Wasting* time turning down shifts when you are unavailable to work

Real Solutions.

Aesop gives you what you need most with your busy roster: *control*.

- *Search* proactively for shifts via web, phone and SMS
- *View* and modify your roster from anywhere in real-time
- *Specify* your work availability and preferences
